

Educational Technologies

3rd Quarter Showdown

April - June 2010

iPod Nano: The World's most popular iPod!

Stores and plays 1000s of songs and movies,
and lets you record your own videos too!

iPod touch: The World's most fun iPod!

Listen to music. Watch movies. Play games.
Surf the web... and that's just the beginning!

Want to win one of these?

Find out more details from your distributor!
